

EB-5 Projects Contact List

The Vermont EB5 Regional Center is a USCIS Designated Regional Center in the United States owned, controlled and supervised directly by the State of Vermont's Agency of Commerce & Community Development.

The Vermont Regional Center's official website is eb5.vermont.gov.

As of December 30, 2014, over \$350,000,000 (700 plus investors) have invested in projects via the Vermont EB-5 Regional Center, with a 100% success rate for over six hundred Fifty (650) I-526 petitions and two hundred eighty (280) I-829 approvals. Seven different new enterprise projects have received I-829 approvals.

In October, 2014 we were one of seventeen Regional Centers (out of approximately six-hundred currently approved) to receive IIUSA's I-829 Approval Club Award for the number of approvals obtained in federal fiscal year 2014.

For your information, here is the contact information for approved projects currently seeking capital:
